We do not support the wallan/beveridge quarry. Please do not let this go ahead. Everytime we have visitors the first thing they compliment us the view of the mountain/hill from our backyard. This is where the proposed quarry will be. Our family were negative about us moving to wallan and we have so far proved them wrong. This will change their views even further into the wrong direction as well as our own.

I confirm that I have read and agree to the above conditions for making a submission.

I agree to the Collection Notice
