I am not sure if this is the correct forum, but I would like to lodge a strong objection to the quarry this is being considered for this area. As a long-time resident of Wallan, I think this quarry would have a massive negative impact on the entire area. Specifically the quarry would:

- create even greater traffic congestion on the Northern Highway exit from the Hume Freeway
- virtually destroy the wetlands to the west of the proposed quarry
- cause dust and noise pollution throughout the southern part of the Mitchell Shire, including Beveridge and Wallan
- make any new developments in this area extremely difficult, given the amount of disruption the presence of the quarry will cause
- provide virtually no benefit for the local community (other than the single individual that owns the site)

Thanks for your time.

**I confirm that I have read and agree to the above conditions for making a submission.**

Yes

**I agree to the Collection Notice**

Yes
