1137267		I would like to write my submission		Hi, thank you for this opportunity to have a say in the development of our community. I would like to have a department near by like DFFH, Centrelink etc., It is good to have government departments as there is none nearby. It also creates employment. It would be great if we have a library in Officer as well. We also need more commercial areas and a hospital as well. Officer is mostly residential, Officer South can have a large commercial area which almost every suburb has. Also opportunities for IT people, software developers and training and research centres would be great as well. Thanks again! Kind regards		26/09/2023 7:48pm
