Hi Sarah,  
I live in Officer and attended one of the VPA information sessions recently.  
I feel strongly that if a new community is to be built, then the Officer Train station CAR PARK needs to be EXPANDED.  
It is great to plan that the people working in the community can work in the community, however the homes will be built first and the employment not for 5-10 years.  
In the mean time, residents will need to commute to work.  
Some will use the freeway, but some will choose to train it in.  
The car park is already at its limit. Please ensure that an expansion is planned.  
Thank you
