Dear Justin,

Officer South Employment Precinct Structure Plan – Public Consultation

Thank you for consulting with us on the Officer South Employment Precinct Structure Plan. We have reviewed the documents provided in your letter of 25th September 2023 and provide the below feedback.

The Melbourne Strategic Assessment Program generally supports the draft Officer South Employment Precinct Structure Plan subject to the following:

- That comments in the attached comments table (Attachment 1) are incorporated into the PSP and supporting planning ordinance.

Please note we are currently seeking internal advice on how kangaroo management should be referenced in the Precinct Structure Plan. We will be able to get back to you with feedback on this in the coming weeks.

We look forward to continuing to work cooperatively with the Victorian Planning Authority in development of this precinct structure plan. If you have any questions, please contact
