Subject: East Of Aberline

Hi,
We are writing this submission as owners of land within the East Of Aberline PSP , we generally support the current format of the draft PSP as a whole development.
But question weather the proposed residential zoning is the best interface to the Horne Road Industrial Park, we support this interface area would be better suited to a mix of business and commercial uses that would build a consistent streetscape of Horne road to integrate rather than segregate.
Thanks Regards [REDACTED]
