

[REDACTED]

[REDACTED], I wish to supply a written submission in response to the East of Aberline Plan.

Name: [REDACTED]

Contact Details: [REDACTED]

[REDACTED]

Property Address: [REDACTED]

My concerns relate to the proposed local access street that will run through my property. The street deviates into my property and through where my home is located. A small shift to the East would see this street occupy clear and vacant land.

Thankyou for your consideration and I look forward to your response.

Regards
